APPETITE FOR AWARENESS a gluten-free cooking spree

The Vendor Marketplace at Appetite for Awareness presents an opportunity to provide gluten-free consumers with free samples, coupons, the opportunity to purchase hard-to-get items and taste test new products before they launch!

Primary Placement will provide your company with a spot in restaurant area with Philadelphia's top restaurants. A Marketplace Vendor Table places you in a designated area for gluten-free vendors and other service providers or secures your spot within the Children's Pavilion.
