

NATIONAL FOUNDATION FOR CELIAC AWARENESS

Date: \_\_\_\_\_

Dear \_\_\_\_\_,

\_\_\_\_\_

is a patient of mine who has been diagnosed with celiac disease.

The only known treatment for celiac disease is a gluten-free diet. The gluten-free diet is 100% elimination of the protein found in wheat, rye, and barley from one's diet.

Please take this into account when reviewing reasonable accommodations for this student.
